

CV Gerhard Rogler, MD, PhD

1. Personal Information:

Prof. Dr. med. Dr. phil. Gerhard Rogler, * 22. July 1963, married, three children; Full Professor of Gastroenterology and Hepatology, Head of Department of Gastroenterology and Hepatology, University of Zurich; Rämistrasse 100, 8091 Zurich; private address: Kapfstrasse 16, 8032 Zurich; ORCID: <http://orcid.org/0000-0002-1733-9188>

2. Education

- Medical School, University of Ulm, Germany **1984-1991**
- Study of philosophy, Universities of Augsburg and Ulm, Germany **1985-1993**
MD Thesis: "HDL3-Retroendocytosis – a new metabolic pathway in enterocytes", M.D., (summa cum laude) **1992**
- PhD Thesis: „The hermeneutical logic of Hans Lipps and the foundation of scientific knowledge”, PhD (Philosophy) (magna cum laude) **1996**
- Venia legendi in „Experimental Internal Medicine“, “Cell-cell interactions in the intestinal mucosa” Faculty of Clinical Medicine, Regensburg **1999**
- „Facharzt“ (German Board Certificate) for Internal Medicine **3/1999**
- “Facharzt” (German Board Certification) for Gastroenterology **5/2003**

3. Employment history

- Resident, Department of Internal Medicine II, Gastroenterology and Nutrition (Prof. Dr. med. Guido Adler), University of Ulm/Germany **1991-1992**
- Postdoc/Resident at the Institute of Clinical Chemistry and Laboratory Medicine, University of Regensburg, Chair Prof. Dr. med. G. Schmitz **1992-1994**
- Resident at the Department of Internal Medicine I at the University of Regensburg, Chair Prof. Dr. med. J. Schölmerich **1994-1999**
- Attending at the Department of Internal Medicine I, Regensburg **1999-2007**
- Visiting scholar, Center of Molecular Medicine, UCSD San Diego **2000-2001**
- Head of the Division of Gastroenterology and Hepatology at the Department of Internal Medicine I at the University of Regensburg, **2002-2007**
- Vice Medical Director of the Department of Internal Medicine I at the University of Regensburg **2005-2007**
- Novartis Chair of Gastroenterol/Hepatol. University of Zurich, Switzerland **2007-2014**
- Full Professor of Gastroenterology and Hepatology, University of Zurich **2014-2017**
- Head of Department of Gastroenterology and Hepatology, University of Zurich, Switzerland **2017-**

4. Institutional responsibilities

Head of Department of Gastroenterology and Hepatology, University of Zurich, Switzerland, full professor/chair

5. Approved research projects (selection)

- SNF 31000-120312/2: Role of the chaperone gp96 for intestinal barrier function and the induction of tolerance; 2007-2014
- SNF 324730_138291: Dietary microparticles and their impact on Inflammatory Bowel Disease pathogenesis - LNP within the SIBDCS 2016-2019
- SNF 314730_153380: The G-protein coupled pH receptor TDAG8 modulates intestinal inflammation
- SNF 33CS30_148422 Swiss IBD Cohort study; Principal Investigator, 2011-2020
- SNF 310030_172870 The role of pH sensing G-protein coupled receptors for intestinal inflammation and fibrosis, 2017-2020

- SNF, 33IC30_166844 Multi-center, multi-national, double-blind, placebo controlled study to evaluate the efficacy and safety of an anthocyanin-rich extract (ACRE) in moderately active ulcerative colitis, 2016-2019
- SNF CRSII5_177225 Novel lipid nano-emulsions with superior biological actions: shifting paradigms in current parenteral nutrition 2018-2022

6. Supervision of junior researchers at graduate and postgraduate level

7 habilitations, 23 PhD students, 20 MD students (list with names upon request)

7. Teaching activities

Regular lectures in “gastroenterology”, “clinical science methods”, “biochemistry of digestion”, “theory of science” (full list upon request)

8. Memberships in panels, boards, individual scientific reviewing activities

- Crohn’s and Colitis Foundation of America reviewer, European Research council reviewer, SNF reviewer, DFG excellence initiative reviewer and panel member
- Associate editor of “Journal of Crohn’s and Colitis”, IF 6.8; Editor of “Inflammatory Intestinal Diseases”; Associate Editor of “Digestive Diseases”
- Ad hoc reviewer for New England Journal of Medicine, Nature Medicine, Nature Communications, Gastroenterology, Gut, JCC, APT, IBD and more

9. Active memberships in scientific societies, fellowships in renowned academies

- IOIBD Member, ECCO Governing Board Member

10. Organisation of conferences Several international FALK conferences: Falk Symposium 168: March 27th – 28th, 2009, Madrid, Spain: Falk Symposium 172: March, 26th - 27th, 2010, Miami, USA: Falk Symposium 183: May 4th – 5th, 2012, Basel, Switzerland: Falk Symposium 199: September 2015, Shezhen, China

11. Prizes, awards, fellowships

- Award of the “Museumsociety Ulm”, **7/1990**
- Award “Best medical thesis”, 1992; Faculty of Clinical Medicine, Ulm **7/1992**
- Wolf-Boas-Award 1993, German Society of Gastroenterology **9/1993**
- Scientific Award of the German Crohn’s and Colitis Foundation **4/1997**
- Heisenberg-Grant, Deutsche Forschungsgemeinschaft **7/1999**
- Van Bekkum Award, European Society of Stem Cell Transplantation **4/2004**
- IOIBD Membership **11/2012**
- Honorary Membership, South African Society of Gastroenterology **8/2013**
- Honorary Award 2013, Swiss Gastroenterology Society, SGG **10/2013**
- LeVaillant Award **03/2015**

12. Outreach (e.g., technology and knowledge transfer activities)

- Co-Founder of PharmaBiome: a start-up company (Venture Kick award, Spark award ETH, Top 100 Start Up award): Company founded: February 2015: PharmaBiome will make microbiota therapy the new standard for the treatment of intestinal diseases. PharmaBiome develops a scalable, controllable and efficient alternative to the use of fecal material to make it the treatment of choice for intestinal infections
